Subject: Comprehensive Flint Update - This Coming Thursday on Tom Sumner Show Live - And Similarities with Navajo Nation & Flint -One Year After Gold King Mine Spill, River Beds Still Recovering | KJZZ

All,

Looking forward to coming back to Flint this coming week and doing more water testing with UA370's Ben Ranger, Harold Harrington, and Melissa Mays. We will be on the Tom Sumner show live at 10 AM this coming Thursday to discuss Flint and other critical water issues. Please join us if you can at the Good Beans Cafe.

Here is link to the comprehensive Water Defense Flint information page as updated this week:

<https://flintwaterdefenseinfo.org/>

Also, as there many similarities between Flint and last year's mining spill that affected the Navajo Nation below is a link to an NPR interview I did this week with a Phoenix AZ radio station:
